'K.K.K.' Method Charge Brings Warrants for Arrest of Four

SAN MATEO, Aug. 14.—Warrants charging four San Mateo men with malicious mischief, disturbing the peace and entering premises without a permit were issued here today by Justice of the Peace R. E. O'Farrell on complaint of Miss Jennie Sissom, colored, who testified the men had forced her with "Ku Klux Klan" meth-

celved threats the house would be burned if she did not vacate it. Hotberg, according to the Negro, had come to the house with a truck and removed her furniture, while Johnson had menaced her with a blackjack.

Pending action on the warrants and further moves which Miss Sissom said she would take when she saw Sheriff James McGrath at Redwood City, Miss Sissom and her mother, Mrs. Julia Parker, are living with relatives in San Mateo.

There are more than 855,000 pension cases, covering all wars, on the United States Government rolls.

MENLO PARK NEWS

Mr. and Mrs. George Angus have returned to their home on Oak Grove avenue from Santa Cruz where they spent two weeks. Mrs. M. J. McCarthy and her daughter, Miss Ellen, and niece, Genevieve, and Miss Madeline Morey are enjoying a vacation at Seabright.

Miss Emeline Miller, the pretty Ravenswood teacher, was married to Mr. Philip Taggart McLean at Lindsay recently. The young couple will reside at Palo Alto. Mr. McLean is connected with the Hoover War Library at Stanford.

The marriage of Miss Elizabeth Hewitt of Palo Alto to Dr. Lyndon H. Gowell took place in Redwood City last Saturday. Mr. and Mrs. Gowell will reside at Menlo Park.

A survey of the drive's progress revealed the administration has succeeded in making work for just one-sixth of the 3,500,000 needy he promised to employ. However, almost one-half the \$4,000,000,000 works fund has been allocated.

COUNTY RELIEF CRISIS AVOIDED AS DEADLINE ADVANCES TO SEPT. 25

Washington Acts to Cut Red Tape So WPA Projects May Be Started to Replace State Emergency Relief Work

San Mateo county's work relief crisis—due to break Thursday—came to a sudden end Tuesday when Capt. L. G. McAloney, relief director, was instructed that an extension of SERA activity to September 25 had been ordered by Frank Y. McLaughlin, state relief administrator.

Meanwhile, in Washington, work relief officials sought to cut red tape that has permitted creation of only 550,000 jobs despite approval by President Roosevelt of expenditures totaling \$1,924,215,169.

A survey of the drive's progress revealed the administration has succeeded in making work for just one-sixth of the 3,500,000 needy he promised to employ. However, almost one-half the \$4,000,000,000 works fund has been allocated.

The program's goal—ending the dole by November 1—has not been changed. Officials hope more expeditious action by Acting

Director Edgar Bell and Comptroller General John R. McCarl in making the money available will solve chief difficulties.

There was an outside possibility that Works Progress Administration Harry L. Hopkins will ask the president to instruct McCarl to write him a check for \$500,000,000 to short-cut the red tape.

The 37-day extension on San Mateo county projects came 24 hours after the board of supervisors wired Harry Hopkins, WPA administrator, in Washington, urging approval of 22 WPA projects outlined to start in San Mateo county Thursday to replace SERA activities.

No word has been received in answer to the wire. McLaughlin's instruction ends a situation which for the time at least had threatened to throw the whole relief load onto San Mateo county.

FUNDS ALLOTTED McAloney was instructed to proceed with all SERA projects on which funds had been allotted. He said that funds were now on hand to adequately take care of the 1,200 weekly case load, for which

a weekly payroll of \$13,000 to \$15,000 is required.

The relief director pointed out in connection with his activities that eight more youths had been sent to the Camp Funston CCC camp, and reported that the registrations would remain open until August 31. San Mateo county has filled about 50 of its quota of 75.

STRIKE SPREAD SEEN NEW YORK, Aug. 13 (UP)—American Federation of Labor leaders warned President Roosevelt today that labor's protest against the WPA "security" wage may spread throughout the country and wreck the \$4,000,000,000 work-relief program. The leaders were attempting to tie up \$50,000,000 in federal projects with a strike of 15,000 men.

Officials of the works progress administration said the New York strike had collapsed, with fewer than 1000 men of 100,000 off their jobs, but President William Green of the A. F. of L. announced he was "reliably informed" that labor throughout the nation will defy the government work-or-starve ultimatum. New York heads of the A. F. of L. disputed government estimates of the number of men who struck against the "security" wage yesterday, but refused to make an estimate of their

Chamberlain Services Held At Woodside

Capitalist Interested In Ocean Shore Line Stricken at Home

Strictly private funeral services at his Woodside estate were held on Wednesday for Selah Chamberlain, 61, San Francisco capitalist and recently prominently identified in the revival of the old Ocean Shore Railway.

Mr. Chamberlain died at his estate Tuesday after an illness of several months. His illness, it was said, began with an automobile accident in which he was severely injured. He underwent two operations, but he failed to rally.

Mr. Chamberlain was widely known in California financial circles for his operations in oil, mining and cattle lands, which extended into Mexico.

In San Francisco he was noted for his deep interest in charity work, as a large real estate operator and a civic leader who in the past decade or more played prominent roles in adjusting labor troubles and other controversies.

INTERESTED IN MUSIC He also was interested in music, and was a member of the board of governors of the Musical Association of San Francisco. He was a member of the Pacific Union, Bohemian and University clubs.

A native of Cleveland, O., Mr. Chamberlain came to California as a child with his family, which settled in Santa Barbara. In 1890 he was sent to the Belmont Preparatory School at Belmont, where he was graduated in 1894 and entered the University of California.

In 1898 he was graduated from U. C., where he was a member of Chi Phi fraternity.

In 1907 he married Miss Edith McDonald of Santa Rosa, member of another pioneer family. The couple decided to settle in San Francisco. Mr. Chamberlain opened an office here and entered the real estate business.

FOUGHT LOAN SHARKS He was the first president of the Remedial Loan Association, organized to make legitimate loans and fight loan sharks, and held the post at his death. He was also active in many moves to reduce unemployment. In connection with his peace making efforts in labor disputes, he was called upon only once until 56 striking unions reported.

Hockey is said to have originated with the Persians, from whom it was acquired by the Greeks, who in turn passed it on to the Romans.

last May by Secretary of Labor Perkins to serve on a mediation board in the seamen's strike.

LED CHARITY WORK For years he had been actively behind every campaign of the Associated Charities, and when the Community Chest developed, he threw his energy to it, and was not only an indefatigable worker, but a liberal donor.

Mr. Chamberlain is survived by his widow, Mrs. Edith Chamberlain, and two sons, Selah Jr., and Joseph, and two daughters, Mrs. Phelps Hunter and Miss Ellen Chamberlain, all of the Bay area. A sister, Miss Ellen Chamberlain, and his stepmother, Mrs. Clinton Hale, survive him in Santa Barbara, in addition to two brothers, Joseph P. Chamberlain of New York and Robert Chamberlain of Greenwich, Conn.

Burlingame May 'Up' Assessment Value

BURLINGAME, Aug. 13.—Following the move taken by other peninsula cities and San Mateo county, Burlingame city council will consider increasing the assessment value of property from 40 to 50 per cent when it meets Monday evening. It was announced today by Mayor C. A. Buck.

County Favors Both 1 and 3 In Light Vote

Southern California Turns Down Bill For Prisons

With only about 8000 of San Mateo county's 39,260 registered voters casting ballots, the county approved Propositions 1 and 3 in Tuesday's special election, but the state as a whole defeated all three measures.

Returns from Southern California counties overcame an early lead indicated Tuesday for proposition No. 1, proposing a \$13,950,000 bond issue for the construction of a new state prison in the southern part of California and various additions and improvements to hospitals and other state buildings, according to the United Press.

The vote in 7390 of the state's 2666 precincts was 196,069 in favor of Proposition No. 1. Opposition vote was 223,871.

Proposition No. 2, authorizing the state fiscal authorities to borrow against anticipated tax money, was overwhelmed on the basis of early returns and the margin of opposition increased as returns continued to mount.

LESS DECISIVE

Proposition No. 3, providing a bond issue for construction of Rector Dam in the Napa valley, suffered a less decisive defeat but with a sufficient margin of opposition to preclude any possibility that the vote would be altered materially by later returns.

Proposition No. 2, which drew appreciable support from San Francisco, was defeated by a narrow margin in all principal Northern California counties and was overwhelmed by a negative vote of more than two to one in Los Angeles and other populous Southern California areas.

The vote in 7390 precincts of the state was 145,131 in favor of the proposition; 268,392 in opposition.

The same precincts cast 176,168 votes in favor of Proposition No. 3, but piled up a negative vote of 238,361, definitely postponing construction of Rector Dam as a source of water supply for the Napa State Hospital and Yountville home.

The vote throughout the state was light, averaging approximately 20 per cent of the total registration.

COUNTY VOTE GIVEN

In San Mateo county, the vote was: Proposition No. 1, yes, 4687; no, 3332; Proposition No. 2, yes, 3633; no, 4240; Proposition No. 3, yes, 4246; no, 3628.

Redwood City proper passed all three measures, the first and third by nearly 2 to 1 votes. The total supervisor district three, of which Redwood City is a part, likewise approved all measures.

Only one Redwood City precinct—No. 8, which votes at the Casareto store on the Woodside road—turned thumbs down on all three measures. Here the vote was 24 yes and 26 no on Proposition No. 1; 19 yes and 31 no on No. 2, and 23 yes and 27 no on No. 3. A tabulation of the county vote will be found on page 3.

SIX BERTHS TO BE ADDED AT CITY PORT

Sixty Craft in Harbor Find Accommodations Now Insufficient

Six new berths and two more floats for accommodating 24 small boats will be constructed at once at the city's yacht harbor on Redwood creek, City Manager E. A. Rollison and City Engineer C. L. Dimmitt reported today.

Driving of 14 40-foot piles is expected to begin tomorrow or the following day.

The piling will cost \$168 and the placing of the piles will cost another \$210, giving a total cost of the project of \$378. Rentals will repay the city for the investment.

Also under construction at the yacht harbor is the marine ways being constructed by Emil Dehoff. He has already constructed the toolroom for repair of boats.

The new berthing space will provide cheaper rental space than usual, as some moorings costing as low as \$2.50 per month will be provided. Berths run between \$3.50 and \$6.50 per month. The city's annual rental income from the berths is about \$2000 per year.

CIVIC LEAGUE INQUIRY IRKS SUPERVISOR

Witt Declares He Will
Insist on Citizens
Baring Evidence

Continuing today with its secret investigation of county government affairs and believed interested particularly in taxation, the new San Mateo County Civic League drew the ire of Supervisor Albert Witt Jr., Colma.

Witt said that he will demand the appearance of league representatives next Monday to reveal their intentions.

"At Monday's meeting of the board of supervisors, I'm going to demand that this self-appointed grand jury come forth with whatever complaints it may have against the administration," he said. "Also, I'll ask them if it isn't true that this so-called investigation of theirs is nothing more than a political campaign to re-elect a minority member of our board, and with him four new Supervisors next year."

Refusing comments, but indicating that Witt's demands will be ignored, the league investigators went right ahead with the gathering of statistical data on county costs. Winfield Scott of Atherton, secretary of the league, is in charge of the inquiry.

Included in the membership of the league, it is said, are some of the peninsula's richest and most influential citizens. They have taken wide interest in a series of subjects of general public interest, it is reported.

Two Suspects Held In Postoffice Theft

Two men suspected by Sheriff's officers of having been implicated in the \$78 burglary of the Loma Mar postoffice and general store Sunday night were being held in the county jail today on an investigation charge. They were Alton Dinwoodie, 37, automotive electrician, and Leon V. Wallace, 29, sheet metal worker, both of Redwood City.

One other man, accused of being the actual perpetrator of the burglary, was being sought.

MARIE CHANTELOUPE DIES
SAN MATEO, Aug. 14—Resident of San Mateo for the past 30 years, Mrs. Marie Chanteloupe, 51, died here last night. She was stricken ill Friday.

Funeral services will be held at 8:30 a. m. Friday at the St. Matthews Church here, and following burial will take place at the Holy Cross Cemetery.

Mrs. Chanteloupe is survived by four sons, Amedee, Noe, Eliot and Jacques Chanteloupe, all well known in San Mateo.

Scouts Kill Rattler Near Emerald Cross

A rattlesnake measuring three and a half feet was killed by Eugene Leighton and Kenneth Welch, both 12, members of Redwood City troop 160 Boy Scouts, Sunday near the Emerald Cross.

The boys, seeking adventure, had taken their packs and provisions for a two-day hike in the hills, and decided to camp in a clump of brush a short distance north of the Emerald Lake Bowl. About 6 o'clock they espied the snake within 20 feet of their bed, and shot it with a .22 calibre rifle.

BUDGET STUDY PLANNED

SAN MATEO, Aug. 14—In connection with Mayor Frank P. Simmen's efforts to have citizens enter as much as possible into city government, a citizens' committee will meet in the San Mateo city hall Friday night to make an investigation and study of the tentative city budget.

\$78 LOOT TAKEN IN P. O. BURGLARY

Fingerprints May Give
Clue to Identity
Of Prowler

Fingerprints left by the burglar who ransacked the Loma Mar general store and postoffice during the night Sunday may prove the clue to his identity, deputy sheriffs reported today following an investigation of the burglary.

Altogether, loot of \$78 cash was taken, they reported. Of this, \$35 was from the store's till and the rest from the postoffice money drawer.

The burglary was discovered by Postmaster Walter Lang when he arrived to open the store. The front door had been forced in with an instrument of some kind, according to Deputy Sheriffs John

Even Gophers Taboo For Reserve Hunter

SAN MATEO, Aug. 14—"You can't even shoot gophers in the Spring Valley game preserve." This was the verdict of Justice of the Peace R. E. O'Farrell which cost Richard S. Halloway of Burlingame \$50 and his rifle when he appeared today in San Mateo.

Halloway was arrested last evening by Game Warden C. R. Peek, to whom the hunter reported he was "hunting gophers."

"Gophers, or not, you're fined \$50 and your rifle is confiscated," concluded the judge.

Less fish is eaten by the average American than by the average inhabitant of any other country.

Simpkin and Thomas F. Maloney, who, with Inspector Leo Austin of San Francisco, investigated.

The Loma Mar postoffice, located a mile and a half west of Memorial Park, serves the vicinity and the resort.

Two Autoists Hurt As Car Hits Pole

Two Larkspur residents suffered slight injuries at 8:25 p.m. yesterday when the car in which they were riding with Henry Foster, also of Larkspur, struck a power pole at the corner of Brewster and El Camino Real. Injured were Mary Milgarejo, broken nose and abrasions on her forehead, and Abe Rom, who suffered a bruised left arm and shoulder.

Foster told police his car jumped

HURST RITES SET

Trial of Earl Dale, accused of hit-run driving, was set for October 1 when he appeared before Superior Judge Maxwell McNutt yesterday afternoon and entered a not guilty plea to the charge.

DOG AGAIN BITES BOY

SAN MATEO, Aug. 14.—James Turner, 6, was bitten today on the leg by a dog which the child's father, J. C. Turner, said had bitten the youngster a few weeks ago. Turner requested the city pound to take some action against the animal and its owners.

FEW SHIFTS IN PERSONNEL NOW PLANNED

Hendricks Is Likely To Get Chief Post Under Marshall

Immediately after taking over the county engineer's office on Wednesday, Urban Marshall, declaring he "had no personal feelings in the matter," told of his plan as follows:

1. He contemplates no changes in personnel, "with the possible exception of a few," at this time. He admitted, however, his choice for chief deputy, announced when he was appointed for the second time by Kellogg and the board of supervisors April 29, would probably be appointed to that capacity. He is W. W. Hendricks, Redwood City resident, city engineer of Hillsborough, and former deputy under former Engineer George A.

100 ARE DROWNED

TURBIN, Italy, Aug. 15 (AP)—The sudden bursting of a dyke was reported today to have caused the drowning of 100 inhabitants of the village of Obada and to have destroyed 100 dwellings.

Switzerland's export trade in chocolate, which in pre-war years absorbed more than 60 per cent of total production, has declined to negligible proportions.

Kneese.

2. He intends to concentrate on securing federal funds for this county. "We should get \$1,360,000 of the \$200,000,000 allotted California, according to my calculations on the basis of expenditures last year. Half of this should be allocated to the county and half to municipalities and other organizations. This must be matched by 20 per cent local funds. The \$146,000 in gasoline funds set up for the coming year should take care of that."

3. "We must have loyalty among the men, and I shall try to get it," was Marshall's summing up of his policy.

James M. Pipkin, Ex-Druggist Here, Passes in South

Mr. and Mrs. J. Lee Pipkin; their daughter, Mrs. William Dunbar, and Mr. and Mrs. Emmet Pipkin were called to Bakersfield yesterday to attend the funeral of Mr. James M. Pipkin, former resident, who died Friday night after a long illness.

Mr. Pipkin was well known in Redwood City through his former connection with the Ryan Drug Stores. He later conducted a drug store of his own in Bakersfield for 15 years, and retired about six years ago.

The deceased is survived by his widow, Clara; a daughter, Mrs. Miriam Smith; a granddaughter, Burnette Lee Pipkin, and four brothers: J. Lee and Emmet Pipkin of Redwood City, E. D. Pipkin of Fair Grove, Mo., and G. W. Pipkin of Grand Rapids, Mich.

Havice Secures Post on County Recreation Body

Appointment of George M. Havice of Montara to succeed Dr. George Davis of Pescadero on the county recreation commission was recommended today by County Executive Walter Kellogg to the board of supervisors.

"Mr. Havice is one of our outstanding and distinguished citizens," Kellogg wrote the board in making the recommendation. "and has been a resident of the county for the past 24 years. He has served as president of the Monterey Chamber of Commerce, is past president of the Half Moon Bay Lions Club, and is also a member of the coast wholesale florists' company."

Mr. Havice is one of the leaders in civic betterment and is deeply interested in the development of the recreational facilities of the entire county."

Youth, 19, Dies At Redwood City Home of Parents

Elmer Lee Griffith, 19, passed away late yesterday evening at the residence of his parents, Mr. and Mrs. J. E. Griffith, 121 Woods-worth avenue. A native of Kansas City, Mo., he had resided here for the past three months.

Besides his parents, Griffith is survived by a sister, Madeline Griffith; and by two brothers, Romaine and Jack Griffith.

The services will be held tomorrow afternoon at 4 o'clock at the Layng & Tinney Funeral Home with interment following in the Mausoleum at Alta Mesa Memorial Park.

TUBERCULAR
UNIT URGED
AT HOSPITALHealth Board Would
Have Idea Voted
On By People

People of the county will be asked to vote funds for the construction of an initial permanent unit for tuberculosis patients at the Community Hospital, if the county health board's recommendations to be made to the board of supervisors are carried out.

Disclosure that the board, at its meeting Monday night, went on record favoring erection of such a building to house the 35 to 40 patients under care was made today. The building would be of modern, fireproof construction, according to tentative plans, and would be in accord with latest improvements and design.

The supervisors will be asked by the health board, of which Louis Goecken is chairman and Miss Pansy Jewett Abbott secretary, to have plans worked out and costs agreed upon by architects and medical men. It then would be put on the ballot as a separate item when the court-house wing proposal is voted on. The idea was broached at the meeting by Dr. Alan Benner, Community Hospital superintendent, who cited need for such an addition to the hospital's facilities.

Jeter Street's
Name Will Stay,
Planners Decide

Because they believed substitute names suggested—with the exception of John—were but little easier to spell or pronounce than Jeter, members of the city planning commission last night decided to take no action on suggestions that name of the street be changed.

The "John" suggestion was eliminated by the planners when they decided that since two of the commission members had the first name of John it might be a little presumptuous on their part to recommend that name to the city council, which had referred the idea to the planning group.

A suggestion to change Myrtle street to Hawes also was ruled against when it was pointed out this would change the alphabetical arrangements of the streets, since Myrtle is between Lowell and Nevada.

Reckless Driving
Count Heads Offenses

Pleading guilty to reckless driving, Victor E. Bullock of Mountain View was fined \$25 when he appeared yesterday in the justice court of Edward I. McAuliffe.

Bullock headed a list of traffic law violators.

Charles F. Levy and Thomas Pugh each were assessed \$5 for speeding; Louis Beltramo paid \$10 on a similar charge; Ezra Hintz and Jane McAnn each paid \$1 for driving with an overloaded front seat, and Ernest Grant was fined \$25.00 for having an overhanging load on the front of his truck.

"Fugitives from justice." That was Sheriff James J. McGrath's description today of six men arrested early Sunday in a raid on the exclusive Villa Mateo in Daly City.

Armed with warrants issued by Judge Wade H. Clay when the six failed to appear to answer gambling charges preferred against them, deputy sheriffs were endeavoring to learn the whereabouts of Abe Benjamin, Joseph Helper, Harry Sinclair, Harry Weitz, John Engle and Joseph Todd, all between 25 and 40 years of age.

The sextet, after promising Judge Clay to appear in his court Monday were released after the raid on \$100 bail each. When the judge waited several hours and they didn't show up, he ordered their bail forfeited and issued warrants for their arrests, setting new bail at \$500 each.

Felon Escapes
From S. F. Jail
In This County

Cutting a hole in the wire fence in the rear of the recreation grounds behind the main building, a 30-year-old prisoner escaped from the San Francisco jail in this county Sunday.

The man was Bertram Schroeder, sent to jail for a year on a charge of assault with a deadly weapon and burglary. Schroeder, who has half a dozen aliases, has "beat the rap" six times since 1924, but on the seventh arrest his luck "boomeranged" and he was convicted.

His absence was discovered at 4:30 p. m.

He had been arrested on charges of auto theft, vagrancy, petty theft, assault with a deadly weapon and burglary, twice in San Bernardino,

Respite From Heat
To Be Short-Lived

Respite from the heat which saw Redwood City's Sunday temperature reach 101, the hottest day of the year, was believed to be but brief. Today's maximum up to 2 p. m. was only 78, but the thermometer was rising.

All over the nation a high pressure area moving eastward across the Rocky Mountains brought respite from the heat, the United Press reported.

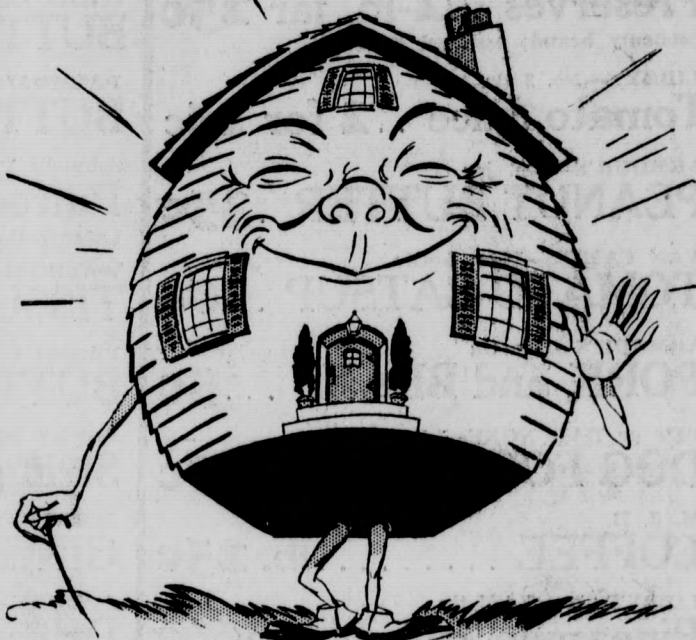

Temperatures that touched 108 degrees in Kansas, Arkansas and Tennessee were blamed for four deaths in the last 24 hours.

Missouri reported one heat prostration. Kansas had two drownings and Wisconsin one.

The weather bureau, predicting thunderstorms in scattered sections of the middle west, said the relief would be short-lived and the mercury will soar again tomorrow.

Two Youths, 14, Held For Stripping Truck

Caught in the act of stripping a light truck in the driveway of a home at 33 Norman street, two 14-year-old Redwood City boys were being held in the detention home today. They were spotted by Police Officer E. G. Fogarty at 8:30 p. m. as he was making his rounds.

GROUP FAVORABLE TO MOFFETT FIELD

McGrath Reports That
Congress Committee
Favorable to Base

Not only Congressman John J. McGrath of San Mateo favors future development of Moffett Field, but so do the congressional committee members who recently visited the airbase with him, according to a letter received here from the representative.

The entire group was "most favorably impressed" with the field and its possibilities, according to Congressman McGrath.

He stated that the lighter-than-air policy of the navy is not yet settled but is awaiting the report of the scientific committee. "You can expect quick action as soon as this report is received."

There is no doubt that the field will at least be extensively used as a heavier-than-air base in the meantime, the colon wrote.

He also said the army is planning major changes in airbase locations on the coast but that nothing definite or final can be announced yet.

First Round Lost By Frank Hudson In Damage Action

Frank J. Hudson lost the first round in his \$100,000 damage suit against the California Racing Board Monday for ejectment from Bay Meadows April 11 when Superior Judge Maxwell McNutt sustained the demurrer of the defendants.

Defendants in the action are Carleton Burke, William P. Roth and John McNaughton, members, and William C. Buchanan, Harding McGuire and J. Kingsley Macomber, employees of the state board. Their contention that they could not be sued along with the state without separate actions having been filed was upheld by the judge. He allowed Hudson 10 days to amend his complaint, however. The case was transferred to San Mateo county from San Francisco.

PHYSICIAN'S WIFE SUES

Accusing her husband of extreme cruelty, Mrs. Jennie H. Huston today filed suit for separate maintenance, asking \$300 a month, against Dr. James M. Huston, Burlingame physician living at 1132 El Camino Real. Harold Price is attorney for Mrs. Huston.

Driver Killed In Night Crash Revealed Drunk

Revelation that one of the two drivers killed Sunday night in Burlingame was driving while intoxicated was made here today by State Traffic Officer James Wallace.

Wallace disclosed that Miguel Oliveras, 38, of San Mateo had been deprived of his machine only a few hours before and had been cited for reckless driving at the time.

"Oliveras was drunk so I took his car away, put it in a Millbrae garage and cited him for reckless driving," Wallace said. "I told Oliveras to go home."

Within an hour San Mateo police received a call from Oliveras' wife, pleading for aid, they reported. She declared he was mistreating her. Before police arrived Oliveras had fled.

Wallace learned Oliveras had gone to the garage where his machine had been impounded and succeeded in driving it out of the garage.

Later he drove into a service station, Wallace reported, and the attendant, observing his intoxicated condition, advised him not to remain at the wheel of the car.

Ignoring this warning, Oliveras sped away. The death crash occurred as he raced along the wrong side of the Bayshore highway shortly after 10 o'clock.

Oliveras and Miss Muriel Park, 30, of San Francisco, were killed in the crash.

Fred Threlkeld Guilty Of Drunken Driving

Waiving time for pleading, Fred Threlkeld of Redwood City pleaded guilty to drunken driving Monday afternoon when he was arraigned before Superior Judge Maxwell McNutt. He asked for probation.

His case was referred to Probation Officer Francis Robinson, who will report to court next Monday, at which time sentence will be passed.

HOLDS MANY MARKS AS AVIATRIX

Symbolic of the spirit of flight in the modern American woman is this striking picture of Gladys O'Donnell, holder of many aviation marks. Her vision cast in the clouds, Mrs. O'Donnell is poised for the take-off in quest of new aviation laurels. She is 31, the mother of two children, lives in Long Beach, Calif., and has been flying for five years. When not in the cockpit, she's apt to be in the surf, for she's an expert swimmer. Burlingame Seeks Government Funds

BURLINGAME, Aug. 13.—Government funds to the extent of \$1600 to provide a parking area at the Southern Pacific depot and \$1300 more on the outfall sewer project will be sought by the city council, it was decided at that body's meeting last night.

At the depot, the grass parkway would be removed, and paving substituted, making space for about 75 cars. Total cost is estimated at \$2100. The city would bear \$500 of the cost, under the proposed arrangements.

The proposed \$50,000 swimming pool was discussed, but no action taken, as only three members of the council were present.

Drunk Driver Suspect In Court August 23d

Irvin Walthers, 24, of Gilroy, charged with driving while intoxicated, will have his preliminary hearing in the Atherton police court August 23, it was announced today. Walthers was arrested Sunday after his car had collided with one driven by Donald Hackett, 17, of Palo Alto.

Geiger Penalizes S. M. Hog Ranchers

Failure of 23 San Mateo hog ranches to comply with San Francisco health regulations governing sanitation and rat extermination led Health Director J. C. Geiger to prepare an order prohibiting sale of their meat there, the United Press reported.

He said the ban would remain in effect until the ranches comply with regulations. Five places observed the rules and were exempted, he said.

JAPAN WINS APOLOGY
SEATTLE, Aug. 13 (AP)—Mayor Charles L. Smith today had conveyed to Japanese Consul Issaku Okamoto official "regret" for the burlesque "fox hunt" of last week, in which Emperor Hirohito of Japan was depicted pulling a jirricksha in which Emperor Haile Selassie of Ethiopia was seated.

Clubs to Discuss Picnic at Meet Here August 21

The San Mateo County Federation of Improvement Clubs and Associations will hold its monthly meeting in Central Grammar School Auditorium on Broadway, Redwood City, August 21, under the auspices of the Redwood City Civic Club, with M. Y. Carlos, chairman of the board of governors, presiding. The time is 8:15.

All delegates and alternates are urged to attend, as many matters of importance will be discussed and full details of the barbecue picnic, to be held in Pescadero Sunday, August 25, will be released.

The picnic is to celebrate the awarding of the first Ocean Shore highway contract, Thornton-Edgemoor section, which is part of the "San Francisco to Santa Cruz" highway. It will commence at 12 o'clock noon in the Butano, and the guest of honor will be Gov. Frank Merriam, and the speaker of the day will be Lieut. Gov. George Hatfield. Philip F. Travers is chairman and C. F. Humphrey, vice-chairman. All members of improvement clubs belonging to the federation are invited, states an announcement from T. Louis Chess, executive secretary.

Druids Will Picnic August 25 at M. P.

The second grand annual picnic to be given by San Mateo County Druids, Groves Nos. 171, 116 and 264, will be held on Sunday, August 25, at Menlo Park picnic grounds, at which time there will be entertainment, dancing and games. Children under 12 will be free.

Charles Guido of South San Francisco is general chairman, and W. W. Ticknor of San Mateo, vice chairman. J. De Nardi is secretary. This is a joint affair, being given by San Mateo, South San Francisco and Colma groves and circles. Union music will play for the occasion.

False Fire Alarm Preliminary Set

Preliminary hearing in the local police court for John Garcia, 32-year-old SERRA worker accused of turning in a false fire alarm at 1 a. m. Sunday, was set for Friday at 10 a. m. when he appeared before Judge Edward I. McAuliffe Tuesday afternoon.
